Display will look like below

Strategic Location & Connectivity

- Located along **National Highway 16**, part of India's Golden Quadrilateral connecting major metros including Delhi, Kolkata, Mumbai and Chennai.
- Approximately **2.5 km from Gopalpur Port** through a dedicated industrial utility corridor improving logistics efficiency.
- Around **160 km from Bhubaneswar**, the capital city of Odisha and major regional airport.
- Close to **Jagannathpur railway station and East Coast Railway network** supporting freight connectivity.
- Access to major ports including **Gopalpur Port, Paradip Port and Visakhapatnam Port** supporting export logistics.
- Located on the eastern seaboard with maritime connectivity to **ASEAN markets within 10–20 days shipping time**

The image shows the home page of the Indlax beta website. The header is dark blue with the Indlax logo and a 'beta' tag. Navigation links include 'Assist Me' (circled in red), 'Categories', 'Countries', a search bar, 'Resale' (circled in red), 'List your property', and icons for heart, location, and user profile (all circled in red). The main content area has a blue background with a man using a magnifying glass on the left, the text 'BUY & SELL INDUSTRIAL PLOTS IN 100+ INDUSTRIAL PARKS', a '0% Brokerage' badge, and a hand holding a smartphone on the right. A filter bar at the bottom lists categories like 'All', 'Multi Product', 'Textile', 'Manufacturing', 'Food & Agri', 'Automobile', 'SEZ', and 'FTZ'. Below this are dropdowns for 'Country', 'State', 'Select Unit', and 'Ownership', followed by a search bar and 'All Filters' and 'Search' buttons.
